## SUMMARY

Motivated Java Developer fresher with strong knowledge of Core Java, OOP concepts, Spring Boot, and SQL. Hands-on experience in developing RESTful APIs, building backend logic, and integrating databases using PostgreSQL/MySQL through academic and personal projects. Eager to learn, adaptable, and ready to contribute to real-world software development.

## TECHNICAL SKILLS

**Languages:** Java, Python, C, SQL

**Databases:** MySQL, ANSI SQL

**Frontend Technologies :** HTML,CSS,JavaScript

**Frameworks:** Spring Boot, Spring Cloud ,Microservices ,Hibernate and JPA, Spring Security Fundamentals

**Tools & Platforms:** Git,Eclipse,Postman,Jupyter Notebook,IntelliJ

## ACADEMIC / TECHNICAL PROJECTS

### Student Attendance Management System (Java)

- Developed a Java-based application to manage and track student attendance efficiently.
- Implemented attendance marking (present/absent) and secure student record management using file handling / database integration.
- Generated attendance reports and summaries to monitor student participation and identify irregular patterns.

### Shop Management System (Java)

- Built a Java-based system to automate shop operations including product, sales, and inventory management.
- Implemented CRUD operations for product details and automated stock updates after each sale.
- Developed accurate billing and sales tracking features to support business performance analysis.

### House Price Prediction System (Machine Learning + Java)

- Developed a machine learning-based price prediction system integrated with a Java application.
- Trained and evaluated models including Linear Regression, Decision Tree, Random Forest, SVM, KNN, and Gradient Boosting.
- Analyzed and visualized model performance to support data-driven real estate decisions.

## EDUCATION

- B.Tech in CSE | Gayatri Institute of Engineering and Technology | 2022-2026**
- Intermediate ( Science) | HOLY CROSS Intermediate | 2021**
- Matriculation | Naman Vidya Senior Secondary School Examination |2019**

## CERTIFICATIONS & AWARDS

- Secured 1st position in college during 1st year and 3rd year
- Achieved 1st position in GeeksforGeeks– Java Programming Fundamentals & DSA contest
- CORE JAVA(GEEK FOR GEEK) CERTIFICATE
- MACHINE LEARNING (KAGGLE) CERTIFICATE
